Package Contents:
• Sound pOp 2™ Bluetooth Wireless Speaker
• USB Charging Cable
• Instruction Manual

Getting Started
Charging Sound pOp 2™
1. Plug included USB cable into the micro
   USB port on the back of Sound pOp 2™.
2. Connect USB cable to a USB port on a
   computer or USB power adaptor. Status
   Indicator LED will light solid once Sound pOp 2™
   is connected to a power source.
3. Charge Sound pOp 2™ fully. This will take
   approximately 3-4 hours. Status Indicator LED will
   not appear once Sound pOp 2™ is fully charged.
4. Once Sound pOp 2™ is fully charged, Sound pOp 2™ is
   ready to pair with your Bluetooth device.

In Case of Trouble
1. Ensure Sound pOp 2™ is fully charged, Sound pOp 2™ will
   not be able to pair if Sound pOp 2™ is not charged.
2. Turn Sound pOp 2™ off and retry "Pairing Sound pOp 2™."
3. Ensure Bluetooth is enabled on your device and retry
   "Pairing Sound pOp 2™."
4. Move Sound pOp closer to your Bluetooth device and
   retry "Pairing Sound pOp 2™."
5. Try pairing Sound pOp 2™ with a different Bluetooth device.
6. Sound pOp 2™ will not be able to pair if currently paired to
   a device (Status Indicator LED will flash slowly). Try
   unpairing with other devices and retry "Pairing Sound
   pOp 2™."

Pairing Sound pOp 2™
1. Press Power On Button for 5 seconds,
   Status Indicator LED will flash quickly.
2. Turn on the Bluetooth feature on your mobile
   device or Computer. Enable device discovery
   if not automatically enabled.
3. Search and select "Sound pOp 2" in the list on
   your device. Note: Some devices may
   require a pass code. Please use 0000 if prompted.
4. Status Indicator LED will flash slowly once paired
   and connected.
5. Sound pOp 2™ is now ready to play music from
   your Bluetooth device.
6. To turn off Sound pOp 2™, press the Power On/Off
   button for 5 seconds.

FCC Statement
This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received,
including interference that may cause undesired operation.
Any changes or modifications not expressly approved by
party responsible for compliance could void the user's authority to operate the equipment

Important Notice!
Please use the special tab on the suction cup to remove it from the surface it is adhered to. Please do not try to pull Sound pOp 2™ off by pulling on the body as it could damage the unit. Please note that the suction cup adhesion time will vary depending on the surface it is attached to. Surface texture, temperature, and debris can all reduce adhesion time.

IF FCC ID could not be found on the silicon shell, you might find the same marking
FCC ID: 2AC6P-SOUNDPOP2 on plastic shell by removing the silicon.

FCC WARNING
Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC STATEMENT
NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

・Reorient or relocate the receiving antenna.
・Increase the separation between the equipment and receiver.
・Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
・Consult the dealer or an experienced radio/TV technician for help.
